ABSENT:

CALL TO ORDER: Mark Blevins, Chairman

ROLL CALL: Quorum Present

Approval of Agenda: Motion was made by Sonja Culler, seconded by David Miller to approve the agenda. By voice roll call vote, the motion carried.

Approval of December Minutes: Motion was made by David Miller, seconded by Sonja Culler to approve the minutes of the January 2020 meeting. By voice roll call vote, the motion carried.

Public Comments: None

Old Business: Central Community Christian Church – Posts for guardrails will be on private property. The Church agreed that they should have the guardrails installed themselves.

New Business: Mr. Odom, property owner on J.N. Nidiffer Road requested the committee look into closing the road. He is the only resident on the 2/10-mile road and the closure would not affect any other properties. A motion was made by Nancy Brown, seconded by Charles VonCannon, for the County Attorney research returning the road to the owner beginning at the intersection with Blue Springs Road. By voice roll call vote, the motion carried.

A motion was made by Sonja Culler, seconded by Gary Bailey, to approve Federal Project No. STP-37(22). By voice roll call vote, the motion carried.

A motion was made by Sonja Culler, seconded by Gary Bailey, to approve Federal Project No. NH-67(36). By voice roll call vote, the motion carried.

A motion was made by Sonja Culler, seconded by Gary Bailey, to approve Federal Project No. NH-67(37). By voice roll call vote, the motion carried.

Superintendent's Report: See attached January activity report.

Commissioner Comments: None

On motion made by Layla Ward, seconded by Gary Bailey and by voice roll call vote, the meeting was adjourned at 5:30pm.
