Absent: Scott Simerly

Motion was made by Miller, second by Hill to approve the agenda, and the motion passed by acclamation.

Motion was made by Miller, second by Peters to approve the minutes of the previous session, and the motion passed by acclamation.

The floor was opened up for public comments, but none were brought forth.

Under "Old Business", an update was presented on the status of the Air Curtain Destructor permitting process: Director Lyons is obtaining Opacity Testing certification so that monitoring can be conducted in-house. The procurement of the machine is postponed until the certification is approved to insure compliance within the statutory window mandated by TDEC.

Household hazardous waste day is May 13, 2018 at the recycling center.

Under "New Business", Mr. Larry Beavers, a local heavy equipment dealer, conducted an informational talk with the committee about pricing differences and life expectancy of new versus used equipment. He also talked about advantages and disadvantages of leasing equipment versus purchasing equipment outright.

Under "Commissioner Comments", Commissioner VonCannon commented on recent vandalism activity at the recycle center.

Meeting was adjourned at 7:27 p.m.
