Carter County Law Enforcement Committee  
December 4, 2018  
Carter County Courthouse Courtroom

No business could be conducted due to absence of Chairman Proffitt, and no agenda being presented by the chair.

Prior to disbanding, there was a discussion regarding the lack of secretarial support provided by County Clerk's office, even though funds had been allocated to pay a part time Clerk's office staff member to provide this service. Emphasis was placed on the meeting minutes' importance and necessity. Commissioner Johnson stringently urged Commission Chairman Lyons to follow up in regard to this deficiency.

Note: Due to County Holiday, the next meeting of this standing committee will be tentatively held January 8, 2018.

Draft submitted by Commissioner Mike Hill for the committee.
