  - (2) Brad Johnson

- New Business: During discussion, Mayor Barnett related to the committee he had what he thought a legitimate complaint from John D. Snyder regarding the Civil Service Board. He stated the Sheriff had appointed three (3) new board members which did not include Mr. Snyder. He said Mr. Snyder had another year left of his term on this board. Mayor Barnett, even though the county attorney had stated the Sheriff had the authority to take these measures, did not agree. It was discussed as to how it was becoming harder to keep up with all the term expiration dates for all the committee members, as they were staggered. Isaiah Grindstaff stated he felt it would be beneficial to Chairwoman Woodby to get with the County Attorney to come up with a digital calendar in an effort to know board appointment opportunities as they came up. She stated she would look into this matter and find a solution.

Meeting adjourned.
