PUBLIC COMMENTS

Roy Livingston addressed the committee with concerns about votes and procedures, and at what time a vote becomes effective. He also questioned the reasoning behind Chairman Bowers being able to cancel Commission Meetings that had been set for the year during previous meetings.

Chairman Trivett, responded that votes became effective at the time the vote was taken unless stated otherwise. In order to change an approved vote, the item must be resubmitted by the committee with a recommendation presented back before full Commission for vote.

It was stated that meetings could be canceled at the discretion of Chairman.

Chairman Bowers stated that the previous Commission meeting was canceled in order to stay within the budget. Savings was due to the fact that there were no issues to be brought before the Commission that would require immediate action, therefore meeting was canceled.

Motion to adjourn was made by Ken Arney, seconded by Richard Winters. By majority voice vote, all ayes, meeting adjourned at 8:48 PM.
