#### IV. Public Comments

None

#### V. Old Business

Mr. Johnson reminded the committee about an issue brought up during the public comments at a previous committee meeting about ankle monitoring for inmates that can be bonded out of jail if they can pay for a monitor. If they cannot then they can't be bonded out. The request was for the county to pay up to half of what the state used to pay. Ms. Patty Woodby spoke to the committee and said that these are not to keep people from going to jail but to allow them to be released on bond if they can be monitored. The money coming into the county since CCI took over is up. She said that people who have never paid are making payments. CCI has been a great move for this county and people will see the change.

#### VI. New Business

Chairman Jenkins asked if everyone gotten their county email? Yes, not all have accessed it yet, but they have it.

#### VII. Announcement

#### VIII. Adjournment

A motion was made to adjourn by Aaron Frazier, second by Mike Hill. The motion was unanimously approved. Meeting was adjourned at 8:00 pm.
